

PROHIBITION OF HAZING

The School Committee prohibits students, employees or school organizations from engaging in the activity of hazing, as defined by Massachusetts General Law and in the student handbook, on school property or at any school-sponsored event regardless of the location. The Committee also prohibits any organization that uses the facilities or school grounds from engaging in the activity of hazing.

Additionally, any student who observes what appears to them to be the activity of hazing another student or person should report such information to the Principal.

Student infractions to this policy will result in disciplinary action as detailed in the student handbook.
