

FIELD TRIPS

The School Committee recognizes that firsthand learning experiences provided by field trips are a most effective and worthwhile means of learning. It is the desire of the Committee to encourage field trips as part of and directly related to the total school program and curriculum.

Specific guidelines and appropriate administrative procedures shall be developed to screen, approve, and evaluate trips and to ensure that all reasonable steps are taken for the safety of the participants. Said guidelines and procedures should be developed by the Administration and reviewed and approved by the School Committee.

These guidelines and appropriate administrative procedures shall ensure that all field trips have the approval of the Principal and Superintendent and that all overnight and select out-of-state trips have the prior approval of the School Committee.
