STEM Summer Camp 2021

“Everest Trek”

On the border of Tibet and Nepal lies the highest mountain in the world, Mount Everest!

Join us as we use our imaginations and developing engineering design skills in planning a trek of a lifetime to the summit of Mount Everest.

Journey with us as we work through numerous challenges using creative, hands-on activities by applying the Engineering Design Process, the Scientific Method, and math skills.

Camp Information

Auburn Middle School's (AMS) STEM camp is open to incoming 6th, 7th, and 8th graders. Registration begins February 1, 2021.

Due to COVID-19 restrictions, space is Limited to 24 campers.

Camp will take place at Auburn High School with activities being held both indoors and outside.
